<i>FDA</i>	FDA Perspective
<i>let</i>	Letters to the Editor
<i>med soc</i>	Medicine and Society
<i>photo</i>	Photo Quiz
<i>policy</i>	Policy Center One-Pager
<i>prac guide</i>	Practice Guidelines
<i>quiz</i>	Clinical Quiz
<i>res stu voice</i>	Resident and Student Voice
<i>tip</i>	Tips from Other Journals

A

acanthosis nigricans

HAIR-AN syndrome: a multisystem challenge (*article*), June 15, p. 2385

addiction

methadone maintenance (*ed*), June 15, p. 2335
methadone therapy for opioid dependence (*article*), June 15, p. 2404

adjuvant therapy

NIH statement on adjuvant therapy for breast cancer (*prac guide*), May 1, p. 1857

adolescents

conduct disorder: diagnosis and treatment in primary care (*article*), April 15, p. 1579
dealing with adolescent Latino patients (*curb con*), June 1, p. 2285

adrenal masses

evaluation of incidental renal and adrenal masses (*article*), January 15, p. 288

AGUS

evaluation and management of the AGUS Papanicolaou smear (*article*), June 1, p. 2239

airway obstruction

sore throat and difficulty breathing (*photo*), June 1, p. 2255

amiodarone

blue-gray centrofacial hyperpigmentation (*photo*), April 1, p. 1409

analgesia

new concepts in acute pain therapy:
preemptive analgesia (*article*), May 15, p. 1979
preemptive analgesia: decreasing pain before it starts (*ed*), May 15, p. 1924

aneurysm

AHA recommendations for the management of intracranial aneurysms (*prac guide*), June 15, p. 2465

ankle injuries

management of ankle sprains (*article*), January 1, p. 93

anorectal conditions

common anorectal conditions: part I. symptoms and complaints (*article*), June 15, p. 2391

antibiotic resistance

antimicrobial resistance: a plan of action for community practice (*article*), March 15, p. 1087
controlling antibiotic resistance: will we someday see limited prescribing autonomy? (*ed*), March 15, p. 1034

antibiotics

AAP technical report on the prevention of pneumococcal infections (*prac guide*), March 15, p. 1223

antihypertensive therapy

increasing the success of antihypertensive therapy (*ed*), January 15, p. 208

antimicrobial resistance

antimicrobial resistance: a plan of action for community practice (*article*), March 15, p. 1087

antiretroviral therapy

plasma viral load testing in the management of HIV infection (*article*), February 1, p. 483

asplenia

detection, education and management of the asplenic or hyposplenic patient (*article*), February 1, p. 499

hope for patients with asplenia or

hyposplenism (*ed*), February 1, p. 439

assistance programs

assistance for patients who cannot afford medications (*let*), May 1, p. 1686

asthma

management of asthma in children (*article*), April 1, p. 1341

athletes

ergogenic aids: counseling the athlete (*article*), March 1, p. 913
ergogenic aids: powders, pills and potions to enhance performance (*ed*), March 1, p. 842

attention-deficit/hyperactivity disorder

child with ADHD: using the AAP clinical practice guideline (*article*), May 1, p. 1803

finding guidance amid uncertainty of ADHD diagnosis (*ed*), May 1, p. 1694

B

babesiosis

when to suspect and how to monitor babesiosis (*article*), May 15, p. 1969

barotrauma

neurologic complications of scuba diving (*article*), June 1, p. 2211

basal cell carcinoma

pigmented preauricular papules (*photo*), February 1, p. 527

BATHE

deep waters (*res stu voice*), January 15, p. 383

behavior disorder

child with ADHD: using the AAP clinical practice guideline (*article*), May 1, p. 1803

behavioral therapy

behavioral medicine in patients with MVP (*let*), January 15, p. 219

bicycle-related injuries

bicycle-related injuries (*article*), May 15, p. 2007

biomedical science

anticipating molecular medicine: smooth transition from biomedical science to clinical practice? (*med soc*), May 1, p. 1704
gene therapy: if at first you don't succeed ... (*med soc*), May 1, p. 1707

blood pressure

diagnosis and treatment of pulmonary hypertension (*article*), May 1, p. 1789
increasing the success of antihypertensive therapy (*ed*), January 15, p. 208

bone disease

diagnosis and management of osteomyelitis (*article*), June 15, p. 2413
osteoporosis in men (*let*), June 15, p. 2331
osteoporosis: part II. nonpharmacologic and pharmacologic treatment (*article*), March 15, p. 1121

breast cancer

NIH statement on adjuvant therapy for breast cancer (*prac guide*), May 1, p. 1857

breast problems

evaluation and treatment of galactorrhea (*article*), May 1, p. 1763

breathing problems

sore throat and difficulty breathing (*photo*), June 1, p. 2255

C

cancer

- cancer screening guidelines (*article*), March 15, p. 1101
- cancer screening in perspective (*ed*), March 15, p. 1039
- diagnosis and management of malignant melanoma (*article*), April 1, p. 1359
- nasopharyngeal cancer and the Southeast Asian patient (*article*), May 1, p. 1776
- science and politics of cancer screening (*ed*), February 1, p. 440
- screening for cancer: evaluating the evidence (*article*), February 1, p. 513

candidiasis

- chronic vulvovaginal candidiasis (*article*), February 15, p. 697

cardiovascular disease

- cardiovascular disease and differences between the sexes (*ed*), April 1, p. 1290
- coronary artery disease prevention: what's different for women? (*article*), April 1, p. 1393
- valvular heart disease: review and update (*article*), June 1, p. 2201

cervical cancer

- role of Papanicolaou tests (*let*), March 15, p. 1048

chemotherapy

- NIH statement on adjuvant therapy for breast cancer (*prac guide*), May 1, p. 1857

children

- 2001 recommended childhood immunization schedule (*prac guide*), January 1, p. 151
- AAP develops guidelines for early detection of dislocated hips (*prac guide*), February 1, p. 565
- bicycle-related injuries (*article*), May 15, p. 2007
- child with ADHD: using the AAP clinical practice guideline (*article*), May 1, p. 1803
- conduct disorder: diagnosis and treatment in primary care (*article*), April 15, p. 1579
- evaluating children for possible sexual abuse (*ed*), March 1, p. 843
- evaluating the child for sexual abuse (*article*), March 1, p. 883
- failure to thrive: parental neglect or well-meaning ignorance? (*curb con*), May 1, p. 1867
- finding guidance amid uncertainty of ADHD diagnosis (*ed*), May 1, p. 1694
- management of asthma in children (*article*), April 1, p. 1341

- NIH consensus statement on phenylketonuria (*prac guide*), April 1, p. 1430

- our role as family physicians in vaccine safety (*ed*), January 15, p. 207

- pneumococcal conjugate vaccine for young children (*article*), May 15, p. 1991

- sleep disorders and sleep problems in childhood (*article*), January 15, p. 277

cholesterol

- effective use of statins to prevent coronary heart disease (*article*), January 15, p. 309

chronic illness

- what should physicians tell about themselves to patients? (*curb con*), April 1, p. 1440

cognitive impairment

- early diagnosis of dementia (*article*), February 15, p. 703
- mild cognitive impairment in the elderly (*ed*), February 15, p. 620

collagen degeneration

- treatment of plantar fasciitis (*article*), February 1, p. 467

colon

- suspicious ulcers in the colon (*photo*), March 1, p. 943

colonic histoplasmosis

- suspicious ulcers in the colon (*photo*), March 1, p. 943

colorectal cancer

- common anorectal conditions: part I. symptoms and complaints (*article*), June 15, p. 2391
- flexible sigmoidoscopy (*article*), April 1, p. 1375

conduct disorder

- conduct disorder: diagnosis and treatment in primary care (*article*), April 15, p. 1579

congestive heart failure

- reducing readmissions for congestive heart failure (*article*), April 15, p. 1593

constipation

- common anorectal conditions: part I. symptoms and complaints (*article*), June 15, p. 2391

coronary heart disease

- coronary artery disease prevention: what's different for women? (*article*), April 1, p. 1393
- effective use of statins to prevent coronary heart disease (*article*), January 15, p. 309

corrections/clarifications

- acute renal failure (*article*), February 1, p. 445
- answer block (*quiz*), May 1, p. 1686

- cardiovascular screening of student athletes (*quiz*), June 15, p. 2332

- cervical spondylotic myelopathy: a common cause of spinal cord dysfunction in older persons (*article*), May 15, p. 1916

- effects of weight loss and exercise on comorbidities (*tips*), May 15, p. 1916

- lichen planus (*quiz*), May 1, p. 1686

- treating onychomycosis (*article*), June 1, p. 2129

- treatment of prostatitis (*article*), June 1, p. 2129

- use of systemic agents in the treatment of acne vulgaris (*article*), April 1, p. 1298

cultural barriers

- dealing with adolescent latino patients (*curb con*), June 1, p. 2285

cyclooxygenase inhibitors

- pharmacotherapy for nonmalignant pain (*let*), March 1, p. 848

cysts

- evaluation of incidental renal and adrenal masses (*article*), January 15, p. 288

D

deep venous thrombosis

- ACOG practice bulletin on preventing deep venous thrombosis and pulmonary embolism (*prac guide*), June 1, p. 2279

dementia

- early diagnosis of dementia (*article*), February 15, p. 703
- mild cognitive impairment in the elderly (*ed*), February 15, p. 620

depression

- fluoxetine and side effects in the geriatric population (*let*), February 1, p. 443
- treatment of depression in the elderly (*let*), February 1, p. 444

dermatology

- nodules in a linear distribution (*photo*), January 1, p. 125
- pigmented preauricular papules (*photo*), February 1, p. 527
- treating onychomycosis (*article*), February 15, p. 663

developmental dysplasia of the hip

- AAP develops guidelines for early detection of dislocated hips (*prac guide*), February 1, p. 565

diabetes

- insulin resistance syndrome (*article*), March 15, p. 1159
- oral agents in the management of type 2 diabetes mellitus (*article*), May 1, p. 1747

treatment of type 2 diabetes mellitus: a rational approach based on its pathophysiology (*ed*), May 1, p. 1687

diagnostic curettage

diagnostic curettage in the evaluation of ectopic pregnancy (*let*), January 15, p. 220

diastolic dysfunction

heart failure, diastolic dysfunction and the role of the family physician (*ed*), April 15, p. 1483

disability

disability prevention principles in the primary care office (*article*), February 15, p. 679

patient seeking disability (*curb con*), January 1, p. 161

dog bites

prevention and treatment of dog bites (*article*), April 15, p. 1567

drug abuse

methadone maintenance (*ed*), June 15, p. 2335
methadone therapy for opioid dependence (*article*), June 15, p. 2404

drug interactions

blue-gray centrofacial hyperpigmentation (*photo*), April 1, p. 1409

sildenafil-simvastatin interaction: possible cause of rhabdomyolysis? (*let*), February 15, p. 636

drug seeking

comments on management of the drug-seeking patient (*let*), April 15, p. 1494; 1497

drug therapy

absolute vs. relative numbers in evaluating drug therapy (*let*), May 15, p. 1913

dyspareunia

evaluation and differential diagnosis of dyspareunia (*article*), April 15, p. 1535

E

ears

otitis externa: a practical guide to treatment and prevention (*article*), March 1, p. 927

ectopic pregnancy

diagnostic curettage in the evaluation of ectopic pregnancy (*let*), January 15, p. 220

elderly

common infections in older adults (*article*), January 15, p. 257

early diagnosis of dementia (*article*), February 15, p. 703

fluoxetine and side effects in the geriatric population (*let*), February 1, p. 443

heart failure, diastolic dysfunction and the role of the family physician (*ed*), April 15, p. 1483

mild cognitive impairment in the elderly (*ed*), February 15, p. 620

reducing readmissions for congestive heart failure (*article*), April 15, p. 1593

treatment of depression in the elderly (*let*), February 1, p. 444

end-of-life care

family physicians and end-of-life care (*let*), January 1, p. 42

endometrial biopsy

endometrial biopsy (*article*), March 15, p. 1131

epiglottitis

sore throat and difficulty breathing (*photo*), June 1, p. 2255

ergogenic aids

ergogenic aids: counseling the athlete (*article*), March 1, p. 913

ergogenic aids: powders, pills and potions to enhance performance (*ed*), March 1, p. 842

ethics

comments on management of the drug-seeking patient (*let*), April 15, p. 1494; 1497

'hopeless' patient (*curb con*), February 1, p. 575

major medical error (*curb con*), March 1, p. 985

patient seeking disability (*curb con*), January 1, p. 161

ethnic heritage

nasopharyngeal cancer and the Southeast Asian patient (*article*), May 1, p. 1776

evidence-based medicine

helping physicians make evidence-based decisions (*ed*), June 1, p. 2130

F

failure to thrive

failure to thrive: parental neglect or well-meaning ignorance? (*curb con*), May 1, p. 1867

family physician

family physicians as specialists (*let*), April 1, p. 1295

heart failure, diastolic dysfunction and the role of the family physician (*ed*), April 15, p. 1483

medical surveillance: the role of the family physician (*ed*), June 15, p. 2339

please don't call me 'provider' (*ed*), June 15, p. 2340

United States relies on family physicians unlike any other specialty (*policy*), May 1, p. 1669

where family physicians dare (*ed*), May 1, p. 1700

FDA approvals

significant FDA approvals in 2000 (*FDA*), May 15, p. 2061

fecal incontinence

common anorectal conditions: part I. symptoms and complaints (*article*), June 15, p. 2391

fetal macrosomia

management of suspected fetal macrosomia (*article*), January 15, p. 302

fingers

fingertip injuries (*article*), May 15, p. 1961

firearms

noise-induced hearing loss in shooters of shoulder firearms (*let*), March 15, p. 1053

fishhook injury

fishhook removal (*article*), June 1, p. 2231

fluoxetine

fluoxetine and side effects in the geriatric population (*let*), February 1, p. 443

fractures

osteoporosis: part I. evaluation and assessment (*article*), March 1, p. 897

osteoporosis: part II. nonpharmacologic and pharmacologic treatment (*article*), March 15, p. 1121

fungal infection

treating onychomycosis (*article*), February 15, p. 663

G

galactorrhea

evaluation and treatment of galactorrhea (*article*), May 1, p. 1763

gene therapy

anticipating molecular medicine: smooth transition from biomedical science to clinical practice? (*med soc*), May 1, p. 1704

gene therapy: if at first you don't succeed ... (*med soc*), May 1, p. 1707

genitals

evaluation and differential diagnosis of dyspareunia (*article*), April 15, p. 1535

geriatrics

common infections in older adults (*article*), January 15, p. 257

early diagnosis of dementia (*article*), February 15, p. 703

family physicians and end-of-life care (*let*), January 1, p. 42

fluoxetine and side effects in the geriatric population (*let*), February 1, p. 443

heart failure, diastolic dysfunction and the role of the family physician (*ed*), April 15, p. 1483

mild cognitive impairment in the elderly (*ed*), February 15, p. 620
reducing readmissions for congestive heart failure (*article*), April 15, p. 1593
treatment of depression in the elderly (*let*), February 1, p. 444

glandular disorders

evaluation of incidental renal and adrenal masses (*article*), January 15, p. 288

glucose

insulin resistance syndrome (*article*), March 15, p. 1159
oral agents in the management of type 2 diabetes mellitus (*article*), May 1, p. 1747

guidelines

2001 recommended childhood immunization schedule (*prac guide*), January 1, p. 151
cancer screening guidelines (*article*), March 15, p. 1101
child with ADHD: using the AAP clinical practice guideline (*article*), May 1, p. 1803
IDSA issues guidelines on the treatment of Lyme disease (*prac guide*), May 15, p. 2065
PHS updates smoking cessation guideline (*prac guide*), April 15, p. 1635

gynecology

ACOG practice bulletin on preventing deep venous thrombosis and pulmonary embolism (*prac guide*), June 1, p. 2279
diagnostic curettage in the evaluation of ectopic pregnancy (*let*), January 15, p. 220
evaluation and differential diagnosis of dyspareunia (*article*), April 15, p. 1535
evaluation and management of the AGUS Papanicolaou smear (*article*), June 1, p. 2239

H

HAIR-AN syndrome

HAIR-AN syndrome: a multisystem challenge (*article*), June 15, p. 2385

hand

acute and chronic paronychia (*article*), March 15, p. 1113

headache

evaluation of acute headaches in adults (*article*), February 15, p. 685

health care provider

please don't call me 'provider' (*ed*), June 15, p. 2340

hearing loss

counseling to reduce noise-induced hearing loss (*let*), March 15, p. 1050
noise-induced hearing loss in shooters of shoulder firearms (*let*), March 15, p. 1053

heart disease

cardiovascular disease and differences between the sexes (*ed*), April 1, p. 1290
coronary artery disease prevention: what's different for women? (*article*), April 1, p. 1393
diagnosis and treatment of pulmonary hypertension (*article*), May 1, p. 1789
heart failure, diastolic dysfunction and the role of the family physician (*ed*), April 15, p. 1483
reducing readmissions for congestive heart failure (*article*), April 15, p. 1593
valvular heart disease: review and update (*article*), June 1, p. 2201

heel pain

treatment of plantar fasciitis (*article*), February 1, p. 467

hemorrhoids

common anorectal conditions: part I. symptoms and complaints (*article*), June 15, p. 2391

hiccups

remedies for prolonged hiccups (*let*), May 1, p. 1684

hip dislocation

AAP develops guidelines for early detection of dislocated hips (*prac guide*), February 1, p. 565

HIV/AIDS

obstetric care of patients with HIV disease (*article*), January 1, p. 107
plasma viral load testing in the management of HIV infection (*article*), February 1, p. 483

HOPE questions

spirituality and medical practice: using the HOPE questions as a practical tool for spiritual assessment (*article*), January 1, p. 81

hormone therapy

NIH statement on adjuvant therapy for breast cancer (*prac guide*), May 1, p. 1857

human papillomavirus infection

role of Papanicolaou tests (*let*), March 15, p. 1048

hyperandrogenism

HAIR-AN syndrome: a multisystem challenge (*article*), June 15, p. 2385

hyperinsulinemia

insulin resistance syndrome (*article*), March 15, p. 1159

hyperpigmentation

blue-gray centofacial hyperpigmentation (*photo*), April 1, p. 1409

hypertension

increasing the success of antihypertensive therapy (*ed*), January 15, p. 208

hypoglycemic agents

oral agents in the management of type 2 diabetes mellitus (*article*), May 1, p. 1747

hyposplenism

detection, education and management of the asplenic or hyposplenic patient (*article*), February 1, p. 499
hope for patients with asplenia or hyposplenism (*ed*), February 1, p. 439

immune system

detection, education and management of the asplenic or hyposplenic patient (*article*), February 1, p. 499
hope for patients with asplenia or hyposplenism (*ed*), February 1, p. 439

immunization

2001 recommended childhood immunization schedule (*prac guide*), January 1, p. 151
ACIP issues updated recommendations for polio vaccine (*prac guide*), January 15, p. 376
our role as family physicians in vaccine safety (*ed*), January 15, p. 207

infants

AAP develops guidelines for early detection of dislocated hips (*prac guide*), February 1, p. 565
NIH consensus statement on phenylketonuria (*prac guide*), April 1, p. 1430

infection

acute and chronic paronychia (*article*), March 15, p. 1113
adult rhinosinusitis: diagnosis and management (*article*), January 1, p. 69
ATS adopts diagnostic standards for tuberculosis (*prac guide*), March 1, p. 979
common infections in older adults (*article*), January 15, p. 257
detection, education and management of the asplenic or hyposplenic patient (*article*), February 1, p. 499
diagnosis and management of osteomyelitis (*article*), June 15, p. 2413
group A beta-hemolytic streptococcal pharyngitis (*ed*), April 15, p. 1486
management of group A beta-hemolytic streptococcal pharyngitis (*article*), April 15, p. 1557
nodules in a linear distribution (*photo*), January 1, p. 125
otitis externa: a practical guide to treatment and prevention (*article*), March 1, p. 927

plasma viral load testing in the management of HIV infection (*article*), February 1, p. 483
 sporotrichoid lymphocutaneous infections: etiology, diagnosis and therapy (*article*), January 15, p. 326

infection control

AAP issues recommendations on infection control in physicians' offices (*prac guide*), February 15, p. 787

influenza

update on treatment of influenza A and B with tamiflu (*ed*), February 15, p. 635

insulin

insulin resistance syndrome (*article*), March 15, p. 1159

oral agents in the management of type 2 diabetes mellitus (*article*), May 1, p. 1747

insulin resistance

HAIR-AN syndrome: a multisystem challenge (*article*), June 15, p. 2385

insulin resistance syndrome

treatment of type 2 diabetes mellitus: a rational approach based on its pathophysiology (*ed*), May 1, p. 1687

J

K

kidney disease

diagnosis and initial management of kidney stones (*article*), April 1, p. 1329
 evaluation of incidental renal and adrenal masses (*article*), January 15, p. 288

L

lactation

evaluation and treatment of galactorrhea (*article*), May 1, p. 1763

language barrier

dealing with adolescent latino patients (*curb con*), June 1, p. 2285

ligament injuries

management of ankle sprains (*article*), January 1, p. 93

lung disease

ATS adopts diagnostic standards for tuberculosis (*prac guide*), March 1, p. 979
 management of asthma in children (*article*), April 1, p. 1341

Lyme disease

complying with AAP Lyme disease recommendations (*let*), February 15, p. 635
 IDSA issues guidelines on the treatment of Lyme disease (*prac guide*), May 15, p. 2065

M

macular degeneration

smoking and age-related macular degeneration (*let*), January 15, p. 225

malignancy

diagnosis and management of malignant melanoma (*article*), April 1, p. 1359
 nasopharyngeal cancer and the Southeast Asian patient (*article*), May 1, p. 1776

medical error

major medical error (*curb con*), March 1, p. 985
 patient safety grid: toxic cascades in health care settings (*policy*), March 15, p. 1047
 toxic cascades: a comprehensive way to think about medical errors (*policy*), March 1, p. 847

medical surveillance

medical surveillance: the role of the family physician (*ed*), June 15, p. 2339

medication

assistance for patients who cannot afford medications (*let*), May 1, p. 1686

melanoma

diagnosis and management of malignant melanoma (*article*), April 1, p. 1359
 pigmented preauricular papules (*photo*), February 1, p. 5271

men's health

no-needle anesthetic for no-scalpel vasectomy (*let*), April 1, p. 1295
 osteoporosis in men (*let*), June 15, p. 2331

mental health

child with ADHD: using the AAP clinical practice guideline (*article*), May 1, p. 1803
 conduct disorder: diagnosis and treatment in primary care (*article*), April 15, p. 1579
 early diagnosis of dementia (*article*), February 15, p. 703
 finding guidance amid uncertainty of ADHD diagnosis (*ed*), May 1, p. 1694
 new insights into mental illness (*let*), January 1, p. 41
 PTSD after spontaneous abortion (*let*), June 1, p. 2118
 spiritual assessment in medical practice (*ed*), January 1, p. 30
 spirituality and medical practice: a look at the evidence (*ed*), January 1, p. 33
 spirituality and medical practice: using the HOPE questions as a practical tool for spiritual assessment (*article*), January 1, p. 81

metabolic disorder

NIH consensus statement on phenylketonuria (*prac guide*), April 1, p. 1430

methadone

methadone maintenance (*ed*), June 15, p. 2335
 methadone therapy for opioid dependence (*article*), June 15, p. 2404

microscopic hematuria

asymptomatic microscopic hematuria in adults: summary of the AUA best practice policy recommendations (*article*), March 15, p. 1145

migraine

evaluation of acute headaches in adults (*article*), February 15, p. 685

mirtazapine

treatment of depression in the elderly (*let*), February 1, p. 444

mitral valve prolapse

behavioral medicine in patients with MVP (*let*), January 15, p. 219

molecular genetics

anticipating molecular medicine: smooth transition from biomedical science to clinical practice? (*med soc*), May 1, p. 1704
 gene therapy: if at first you don't succeed ... (*med soc*), May 1, p. 1707

N

nail disorders

acute and chronic paronychia (*article*), March 15, p. 1113
 treating onychomycosis (*article*), February 15, p. 663

nasal patency

adult rhinosinusitis: diagnosis and management (*article*), January 1, p. 69

nasopharyngeal cancer

nasopharyngeal cancer and the Southeast Asian patient (*article*), May 1, p. 1776

neglect

failure to thrive: parental neglect or well-meaning ignorance? (*curb con*), May 1, p. 1867

neurologic disorders

neurologic complications of scuba diving (*article*), June 1, p. 2211

nicotine dependence

should we recommend nicotine replacement therapy? (*cochrane*), June 1, p. 2245

nicotine replacement therapy

should we recommend nicotine replacement therapy? (*cochrane*), June 1, p. 2245

noise exposure

counseling to reduce noise-induced hearing loss (*let*), March 15, p. 1050

noise-induced hearing loss in shooters of shoulder firearms (*let*), March 15, p. 1053

NSAIDs

'generally safe' NSAIDs? (*let*), February 15, p. 637

pharmacotherapy for nonmalignant pain (*let*), March 1, p. 848

nutrition

ergogenic aids: counseling the athlete (*article*), March 1, p. 913

ergogenic aids: powders, pills and potions to enhance performance (*ed*), March 1, p. 842

nutritional supplements and treatment of osteoarthritis (*let*), March 1, p. 854

O

obesity

'hopeless' patient (*curb con*), February 1, p. 575

obesity: assessment and management in primary care (*article*), June 1, p. 2185

physicians need practical tools to treat the complex problems of overweight and obesity (*ed*), June 1, p. 2139

obstetrics

diagnostic curettage in the evaluation of ectopic pregnancy (*let*), January 15, p. 220

management of suspected fetal macrosomia (*article*), January 15, p. 302

obstetric care of patients with HIV disease (*article*), January 1, p. 107

occupational medicine

medical surveillance: the role of the family physician (*ed*), June 15, p. 2339

onychomycosis

treating onychomycosis (*article*), February 15, p. 663

oseltamivir

update on treatment of influenza A and B with tamiflu (*ed*), February 15, p. 635

osteoarthritis

nutritional supplements and treatment of osteoarthritis (*let*), March 1, p. 854

osteomyelitis

diagnosis and management of osteomyelitis (*article*), June 15, p. 2413

osteoporosis

osteoporosis in men (*let*), June 15, p. 2331

osteoporosis: part I. evaluation and assessment (*article*), March 1, p. 897

osteoporosis: part II. nonpharmacologic and pharmacologic treatment (*article*), March 15, p. 1121

otitis externa

otitis externa: a practical guide to treatment and prevention (*article*), March 1, p. 927

over-the-counter drugs

'generally safe' NSAIDs? (*let*), February 15, p. 637

overweight

obesity: assessment and management in primary care (*article*), June 1, p. 2185

physicians need practical tools to treat the complex problems of overweight and obesity (*ed*), June 1, p. 2139

P

pain

evaluation of acute headaches in adults (*article*), February 15, p. 685

new concepts in acute pain therapy: preemptive analgesia (*article*), May 15, p. 1979

pharmacotherapy for nonmalignant pain (*let*), March 1, p. 848

preemptive analgesia: decreasing pain before it starts (*ed*), May 15, p. 1924

Papanicolaou smear

evaluation and management of the AGUS Papanicolaou smear (*article*), June 1, p. 2239

role of Papanicolaou tests (*let*), March 15, p. 1048

parasites

when to suspect and how to monitor babesiosis (*article*), May 15, p. 1969

parenting

failure to thrive: parental neglect or well-meaning ignorance? (*curb con*), May 1, p. 1867

paronychia

acute and chronic paronychia (*article*), March 15, p. 1113

pastoral professionals

providing basic spiritual care for patients: should it be the exclusive domain of pastoral professionals? (*med soc*), January 1, p. 36

patient safety

'generally safe' NSAIDs? (*let*), February 15, p. 637

major medical error (*curb con*), March 1, p. 985

patient safety grid: toxic cascades in health care settings (*policy*), March 15, p. 1047

prevention and treatment of dog bites (*article*), April 15, p. 1567

toxic cascades: a comprehensive way to think about medical errors (*policy*), March 1, p. 847

pharmacotherapy

new insights into mental illness (*let*), January 1, p. 41

osteoporosis: part II. nonpharmacologic and pharmacologic treatment (*article*), March 15, p. 1121

pharmacotherapy for nonmalignant pain (*let*), March 1, p. 848

pharyngitis

group A beta-hemolytic streptococcal pharyngitis (*ed*), April 15, p. 1486

phenylketonuria

NIH consensus statement on phenylketonuria (*prac guide*), April 1, p. 1430

physician-patient relationship

comments on management of the drug-seeking patient (*let*), April 15, p. 1494; 1497

deep waters (*res stu voice*), January 15, p. 383

disability prevention principles in the primary care office (*article*), February 15, p. 679

family physicians and end-of-life care (*let*), January 1, p. 42

family physicians as specialists (*let*), April 1, p. 1295

'hopeless' patient (*curb con*), February 1, p. 575

major medical error (*curb con*), March 1, p. 985

patient seeking disability (*curb con*), January 1, p. 161

United States relies on family physicians unlike any other specialty (*policy*), May 1, p. 1669

what should physicians tell about themselves to patients? (*curb con*), April 1, p. 1440

where family physicians dare (*ed*), May 1, p. 1700

plantar fasciitis

treatment of plantar fasciitis (*article*), February 1, p. 467

plasma viral load testing

plasma viral load testing in the management of HIV infection (*article*), February 1, p. 483

pneumococcal conjugate vaccine

pneumococcal conjugate vaccine for young children (*article*), May 15, p. 1991

pneumococcal infection

AAP technical report on the prevention of pneumococcal infections (*prac guide*), March 15, p. 1223

polio

ACIP issues updated recommendations for polio vaccine (*prac guide*), January 15, p. 376

post-traumatic stress disorder

PTSD after spontaneous abortion (*let*), June 1, p. 2118

prayer

providing basic spiritual care for patients: should it be the exclusive domain of pastoral professionals? (*med soc*), January 1, p. 36

preauricular papules

pigmented preauricular papules (*photo*), February 1, p. 527

pregnancy

management of suspected fetal macrosomia (*article*), January 15, p. 302

obstetric care of patients with HIV disease (*article*), January 1, p. 107

prescription drugs

antimicrobial resistance: a plan of action for community practice (*article*), March 15, p. 1087

controlling antibiotic resistance: will we someday see limited prescribing autonomy? (*ed*), March 15, p. 1034

preventive health

AAP technical report on the prevention of pneumococcal infections (*prac guide*), March 15, p. 1223

bicycle-related injuries (*article*), May 15, p. 2007

cancer screening guidelines (*article*), March 15, p. 1101

cancer screening in perspective (*ed*), March 15, p. 1039

flexible sigmoidoscopy (*article*), April 1, p. 1375

osteoporosis: part II. nonpharmacologic and pharmacologic treatment (*article*), March 15, p. 1121

prevention and treatment of dog bites (*article*), April 15, p. 1567

science and politics of cancer screening (*ed*), February 1, p. 440

screening for cancer: evaluating the evidence (*article*), February 1, p. 513

procedures

endometrial biopsy (*article*), March 15, p. 1131

fingertip injuries (*article*), May 15, p. 1961

fishhook removal (*article*), June 1, p. 2231

flexible sigmoidoscopy (*article*), April 1, p. 1375

no-needle anesthetic for no-scalpel vasectomy (*let*), April 1, p. 1295

psychiatric disorders

conduct disorder: diagnosis and treatment in primary care (*article*), April 15, p. 1579

psychopharmacology

new insights into mental illness (*let*), January 1, p. 41

psychotropic drugs

fluoxetine and side effects in the geriatric population (*let*), February 1, p. 443

treatment of depression in the elderly (*let*), February 1, p. 444

public health

osteoporosis: part I. evaluation and assessment (*article*), March 1, p. 897

pulmonary embolism

ACOG practice bulletin on preventing deep venous thrombosis and pulmonary embolism (*prac guide*), June 1, p. 2279

pulmonary hypertension

diagnosis and treatment of pulmonary hypertension (*article*), May 1, p. 1789

Q**quality of life**

deep waters (*res stu voice*), January 15, p. 383

R**radiotherapy**

NIH statement on adjuvant therapy for breast cancer (*prac guide*), May 1, p. 1857

relative risk

absolute vs. relative numbers in evaluating drug therapy (*let*), May 15, p. 1913

religious beliefs

providing basic spiritual care for patients: should it be the exclusive domain of pastoral professionals? (*med soc*), January 1, p. 36

spiritual assessment in medical practice (*ed*), January 1, p. 30

spirituality and medical practice: a look at the evidence (*ed*), January 1, p. 33

spirituality and medical practice: using the HOPE questions as a practical tool for spiritual assessment (*article*), January 1, p. 81

renal colic

diagnosis and initial management of kidney stones (*article*), April 1, p. 1329

renal masses

evaluation of incidental renal and adrenal masses (*article*), January 15, p. 288

respiratory problems

management of asthma in children (*article*), April 1, p. 1341

restless legs

restless legs syndrome (*let*), March 15, p. 1048

rhabdomyolysis

sildenafil-simvastatin interaction: possible cause of rhabdomyolysis? (*let*), February 15, p. 636

rhinosinusitis

adult rhinosinusitis: diagnosis and management (*article*), January 1, p. 69

S**safety**

our role as family physicians in vaccine safety (*ed*), January 15, p. 207

screening

AAP develops guidelines for early detection of dislocated hips (*prac guide*), February 1, p. 565

cancer screening guidelines (*article*), March 15, p. 1101

cancer screening in perspective (*ed*), March 15, p. 1039

flexible sigmoidoscopy (*article*), April 1, p. 1375

NIH consensus statement on phenylketonuria (*prac guide*), April 1, p. 1430

role of Papanicolaou tests (*let*), March 15, p. 1048

science and politics of cancer screening (*ed*), February 1, p. 440

screening for cancer: evaluating the evidence (*article*), February 1, p. 513

scuba diving

neurologic complications of scuba diving (*article*), June 1, p. 2211

sexual abuse

evaluating children for possible sexual abuse (*ed*), March 1, p. 843

evaluating the child for sexual abuse (*article*), March 1, p. 883

sick note

disability prevention principles in the primary care office (*article*), February 15, p. 679

sigmoidoscopy

flexible sigmoidoscopy (*article*), April 1, p. 1375

sildenafil

sildenafil-simvastatin interaction: possible cause of rhabdomyolysis? (*let*), February 15, p. 636

simvastatin

sildenafil-simvastatin interaction: possible cause of rhabdomyolysis? (*let*), February 15, p. 636

sinusitis

adult rhinosinusitis: diagnosis and management (*article*), January 1, p. 69

skin

diagnosis and management of malignant melanoma (*article*), April 1, p. 1359

pigmented preauricular papules (*photo*), February 1, p. 527

treating onychomycosis (*article*), February 15, p. 663

skin discoloration

blue-gray centrofacial hyperpigmentation (photo), April 1, p. 1409

sleep disorders

restless legs syndrome (let), March 15, p. 1048
sleep disorders and sleep problems in childhood (article), January 15, p. 277

smoking cessation

PHS updates smoking cessation guideline (prac guide), April 15, p. 1635
plan for patients who wish to quit smoking (let), January 15, p. 219
should we recommend nicotine replacement therapy? (cochrane), June 1, p. 2245
smoking and age-related macular degeneration (let), January 15, p. 225
smoking cessation: still looking for a miracle (ed), February 15, p. 626

sore throat

management of group A beta-hemolytic streptococcal pharyngitis (article), April 15, p. 1557
sore throat and difficulty breathing (photo), June 1, p. 2255

spirituality

providing basic spiritual care for patients: should it be the exclusive domain of pastoral professionals? (med soc), January 1, p. 36
spiritual assessment in medical practice (ed), January 1, p. 30
spirituality and medical practice: a look at the evidence (ed), January 1, p. 33
spirituality and medical practice: using the HOPE questions as a practical tool for spiritual assessment (article), January 1, p. 81

spontaneous abortion

PTSD after spontaneous abortion (let), June 1, p. 2118

sporotrichosis

nodules in a linear distribution (photo), January 1, p. 125
sporotrichoid lymphocutaneous infections: etiology, diagnosis and therapy (article), January 15, p. 326

sports medicine

bicycle-related injuries (article), May 15, p. 2007
ergogenic aids: counseling the athlete (article), March 1, p. 913
fishhook removal (article), June 1, p. 2231
neurologic complications of scuba diving (article), June 1, p. 2211

sprains

management of ankle sprains (article), January 1, p. 93

statins

effective use of statins to prevent coronary heart disease (article), January 15, p. 309

streptococcal pharyngitis

management of group A beta-hemolytic streptococcal pharyngitis (article), April 15, p. 1557

stroke

AHA recommendations for the management of intracranial aneurysms (prac guide), June 15, p. 2465

T

tamiflu

update on treatment of influenza A and B with tamiflu (ed), February 15, p. 635

terminal illness

family physicians and end-of-life care (let), January 1, p. 42

thyroglossal duct cyst

midline neck nodule (photo), May 1, p. 1817

tick-borne diseases

IDSA issues guidelines on the treatment of Lyme disease (prac guide), May 15, p. 2065
when to suspect and how to monitor babesiosis (article), May 15, p. 1969

toxic cascades

patient safety grid: toxic cascades in health care settings (policy), March 15, p. 1047
toxic cascades: a comprehensive way to think about medical errors (policy), March 1, p. 847

tuberculosis

ATS adopts diagnostic standards for tuberculosis (prac guide), March 1, p. 979

U

ulcers

suspicious ulcers in the colon (photo), March 1, p. 943

urolithiasis

diagnosis and initial management of kidney stones (article), April 1, p. 1329

urology

asymptomatic microscopic hematuria in adults: summary of the AUA best practice policy recommendations (article), March 15, p. 1145

uterine abnormalities

endometrial biopsy (article), March 15, p. 1131

V

vaccine

2001 recommended childhood immunization schedule (prac guide), January 1, p. 151
AAP technical report on the prevention of pneumococcal infections (prac guide), March 15, p. 1223

ACIP issues updated recommendations for polio vaccine (prac guide), January 15, p. 376

our role as family physicians in vaccine safety (ed), January 15, p. 207

pneumococcal conjugate vaccine for young children (article), May 15, p. 1991

vaccine policy decisions: tension between science, cost-effectiveness and consensus? (ed), May 15, p. 1919

vaginitis

chronic vulvovaginal candidiasis (article), February 15, p. 697

valvular heart disease

valvular heart disease: review and update (article), June 1, p. 2201

vasectomy

no-needle anesthetic for no-scalpel vasectomy (let), April 1, p. 1295

W

weight management

obesity: assessment and management in primary care (article), June 1, p. 2185
physicians need practical tools to treat the complex problems of overweight and obesity (ed), June 1, p. 2139

women's health

cardiovascular disease and differences between the sexes (ed), April 1, p. 1290
chronic vulvovaginal candidiasis (article), February 15, p. 697
coronary artery disease prevention: what's different for women? (article), April 1, p. 1393
diagnostic curettage in the evaluation of ectopic pregnancy (let), January 15, p. 220
evaluation and differential diagnosis of dyspareunia (article), April 15, p. 1535
evaluation and management of the AGUS Papanicolaou smear (article), June 1, p. 2239
evaluation and treatment of galactorrhea (article), May 1, p. 1763
obstetric care of patients with HIV disease (article), January 1, p. 107
osteoporosis: part I. evaluation and assessment (article), March 1, p. 897
osteoporosis: part II. nonpharmacologic and pharmacologic treatment (article), March 15, p. 1121
PTSD after spontaneous abortion (let), June 1, p. 2118
role of Papanicolaou tests (let), March 15, p. 1048
